Subject: Yucca Mountain -- OPPOSED

Part of Records Package / Supplement / Correction

To Whom It May Concern:

I am VEHEMENTLY OPPOSED to the storage of nuclear waste at Yucca Mountain. I do not believe that the material can be or would be transported and stored safely. I also believe that even if money were no object (which I am sure that it would be eventually, further compromising safety) that shortcutting would prevail and safety compromised.

I would also like to thank Mayor Oscar Goodman for notifying Southern Nevada residents about this issue and providing information about how we can speak out. Thanks!
